To,

THE President, District Educational Council
Bellary

SIR,

I have the honour to forward herewith the Budget esti-mate of the Elementary Education Fund account under the Harpanahalli Taluk Board for the year 1929-1930 for favour of approval and transmission to Government for sanction.

Owing to the revision of scale of pay of only a few deserving teachers and strengthening staff in such of the schools as are in urgent need of them the expenditure has risen very high and in consequence of which the Taluk Board contribution from General account to Elementary Education fund account has been raised to Rs.11000/- from Rs.9900/- in 28-29 to counter balance the receipts and charges. The enhanced contribution from the General funds of the Taluk Board has affected the budget estimate very much giving no scope for items of expenditure of non recurring nature such as construction of wells etc,. Besides, the salaries of the teachers and conductresses under this Taluk Board are very much lower than those sanctioned in the other Taluk Boards of the District and so, there is cry from all quarters for the revision of scale of salary of them. But nothing can be done in this direction unless the Government come to our aid owing to the poor finances. Considering the economical condition of the people in the area comprised in this Taluk Board, the Board are not in favour of levying the educational cess, which when once levied and the income adjusted for expenditure to the existing schools mars the scope for further development of

of education in the Taluk Board area in case of necessity some time hence. If no additional Government subsidies can be allotted, I am afraid that a few schools will have to be closed for want of funds in a year or t

I have therfore the honour to request that you will b so good as to strongly recommend the case of this Taluk Boar to Government to raise the grant under the proviso to sectic
